LINDAL France has received an award for the best international performance at an event hosted by L'Usine Nouvelle and co-organised with Plastiques & Caoutchoucs Magazine and the French Organisation for Plastics, Polyvia

LINDAL France received the award based on its strong growth with international customers. Demonstrating a vast global customer base, LINDAL France service customers across the world, particularly in Europe, North and Latin America, China, Russia, South Africa and Australia.

LINDAL France is the French subsidiary of the LINDAL Group, founded in 1959 and headquartered in Hamburg, Germany. The site in France is located in Briey in Meurthe-et-Moselle and employs 204 people and focuses on the manufacture and supply of aerosol dispensing packaging solutions. The site is also home to LINDAL's Global Innovation Centre (GIC), that is responsible for developing new products for customers around the world.

Romain Tesse, General Manager of LINDAL France said "We are very honoured to receive this prestigious award that recognises our strong growth and performance with our international customers. LINDAL Group have a strong commercial presence globally and offer many innovative products to our customers, that are designed and supported from our Global Innovation Centre based in France. I would like to thank all LINDAL France employees for their hard work and dedication which has contributed to this success and thank the jury and sponsors for recognising our achievements."

About LINDAL Group
